Percent satisfied with school-home relations	100%	97.3%	92.4%

\*Only students at the highest elementary school grade level at this school and their parents were included.

## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Report of Principal and School Improvement Council  
 Corinth Elementary School belief is to CARE by providing:  
 C = Creative and High Quality Curriculum  
 A = Academic Discipline  
 R = Recognition of Student Achievement  
 E = Environment that is Safe and Inviting

To accomplish this statement, the continuous achievement of the students is the focus of all staff members. There is on-going assessment of mastery of the standards through quizzes and weekly standards-based evaluations. Teachers employed a professional learning community approach to analyze student data and plan instruction. We implemented many of the strategies that helped us achieve success such as common planning time across all grade levels, an infusion of character traits into the curriculum, and Universal Screenings used to track students' progress toward goals. Responses to Intervention (RtI) meetings are held weekly to plan and monitor for the academic or behavioral progress of all students.

Our staff development has been provided in various areas to better meet the needs of all students. A focused initiative of CES this year is the implementation of the Common Core State Standards. The PTO and SIC worked diligently with school staff to strengthen community relations and parental involvement. Our students benefited from the assistance of many volunteers as well as from business and community partnerships, including a valuable faith-based partnership with Corinth Baptist Church.

In addition to the academic improvements, there have been positive outcomes with the following: parents attending conferences increased to 100%; 97.1% teachers returned from the previous year, and we continued to have an excellent rating for character education programs.

Student achievement continues to be recognized on the School Report Card. Our most recent PASS scores revealed that our students in grades 3, 4, and 5 scored higher in ELA and Math than most schools in the district and state. For the 2011 and 2012 school years, we earned Good in the area of improvement on the school's report card and were awarded Palmetto Silver for achievement.

The Corinth Elementary staff and School Improvement Council look forward to working with students, parents, and the community to make our school the very best that it can be.

Brenda Sharts, Principal  
 Tabitha Easler and Brian Zigelhefer, SIC Co-Chairs
